

THE NEWS

Issue 8 | Apr - Jun 2025

From the PRINCIPAL'S DESK

Dear Parents and Mangalites

The first quarter of the academic session 2025–26 has marked a significant step forward in our journey towards educational transformation. With a strong focus on holistic development, we have seamlessly integrated skills and competency-based pedagogy into classroom transactions. At the foundational level, our implementation of the Panchkosha Vikas framework is nurturing well-rounded individuals—mentally, physically, emotionally, spiritually, and intellectually.

I am incredibly proud to share the outstanding CBSE board results of our students. The Grade XII batch (2024–25) has achieved an impressive highest percentage of 96.4%, while our Grade X students have outshined with an exceptional highest 98%. These achievements are a reflection of our students' dedication, parents' unwavering support, and the relentless efforts of our faculty.

My heartfelt congratulations to all the students and the parents for this remarkable success. I also take this moment to applaud the hard work of our teaching and non-teaching staff who continue to shape young minds with passion and purpose.

Let us march ahead with the same vision and enthusiasm as we continue this inspiring journey of transformation.

Warm regards

Mrs. Sonia Anil Verma
Principal

GREAT TRIUMPH AT BHARAT SHIKSHA EXPO-CREATHON 2025

The proud Mangalites showcased remarkable innovation at CREATHON 2025 on April 24, 2025, a national event supported by the Ministry of MSME and MEITY, Government of India, featuring challenges like Hackathon, Ideathon, Codethon, and Startathon.

Highlights:

Hackathon – Best Project Award Team Aura | AI-Based Assistive Devices for the Visually & Hearing Impaired Winners from Grade X: Shivam

Dass, Vedaansh Singh, Aakarsh Anand, Arnav Kashyap

Ideathon – Best Project Idea Award AI Headphones for the Differently Abled

Winners: **Shivam Dass, Arnav Kashyap** Proud of our innovators for making us shine on a national platform!

STUDENT INNOVATORS: SHAPING THE DIGITAL FUTURE

In a vibrant celebration of National Technology Day 2025, our school hosted the Young Innovators Expo Exhibition under the inspiring theme, “From Schools to Startups: Igniting Young Minds to Innovate.”

The event turned the spotlight on young changemakers as students presented a wide range of creative and future-ready innovations. A major highlight of the exhibition was the showcase of award-winning projects from the Bharat Shiksha Expo, where our students earned the prestigious ‘**Best Project Award**’ and it became a proud moment for the school community.

The Computer Lab buzzed with excitement as visitors explored projects demonstrated cutting-edge technological thinking and real-world problem-solving. From automation models to sustainable solutions, the student exhibited a deep engagement with technology and innovation.

Parents and guests lauded the initiative, praised the school's strong focus on project-based and experiential learning. They commended the institution for nurturing critical thinking, collaboration, and creativity among students.

Their words of appreciation served as a powerful encouragement for both students and faculty, reinforcing the school's commitment to transforming classrooms into innovation hubs where learning is active, hands-on, and future-focused.

SILVERZONE OLYMPIAD ACHIEVEMENTS GRADES I TO X (2024-25)

The Proud Mangalites of Grades I to X showcased remarkable enthusiasm and academic brilliance through their participation in the prestigious Silver Zone Olympiad during the academic session 2024–25. This national-level competition is known for fostering intellectual growth and promoting a spirit of enquiry and healthy competition among young learners.

We are delighted to share that every participating

student received a Certificate of Participation, acknowledging their sincere efforts and commitment. Furthermore, a significant number of students were honoured with medals for their outstanding performance across various subjects and levels, reflected their dedication and pursuit of excellence.

The school community proudly celebrated these commendable achievements and congratulated all participants for their hard work, perseverance, and academic spirit. We look forward to even greater accomplishments in future Olympiads.

SCHOOL HIGHLIGHTS

EMPOWERING YOUNG LEADERS: INVESTITURE'S CEREMONY 2025

The school held its Annual Investiture Ceremony on May 16, 2025, marking the formal induction of the newly elected Student Council. The Chief Guest, Lieutenant General Sunil Shrivastava, Deputy Director General in Military Operations, graced the event and mentored the student leaders with valuable insights on discipline, leadership, and service to the nation.

The ceremony began with a soulful rendition of Saraswati Vandana and lamp lighting, followed by an inspiring performance by the school choir and a captivating dance on “Adiyogi” symbolized “Shreshth Bharat, Viksit Bharat.”

The Principal Mrs. Sonia Anil Verma, in her address, highlighted that **“Leadership is about commitment, responsibility, and leading by example”**. The Student Council, a crucial bridge between students and school leadership, plays a pivotal role in promoting discipline, teamwork, and student engagement.

The council members took a solemn oath to uphold school values. The ceremony concluded with the unveiling of the school newsletter and a warm vote of thanks by the Head Girl.

TRANSFORMING CLASSROOMS

CELEBRATION OF CBSE POSHAN PAKHWADA 2025

In alignment with the CBSE's Poshan Pakhwada 2025 initiative, our school organized a series of meaningful activities to raise an awareness about traditional and local food, health, and hygiene among students of Grades VI to XII.

The celebration featured two major components:

1. Poster Making Activity (Grades VI–VIII):

The students showcased their creativity through posters highlighted the significance of traditional Indian foods, their health benefits, safe storage and consumption practices. This activity encouraged research, innovation, and awareness about local nutrition.

2. Cultural Showcase (Grades IX–XII):

Our students presented a vibrant cultural display that represented the diverse food and traditions of various NCERT regions. Dressed in traditional attire and accompanied by folk music and dance, the event reflected India's rich culinary heritage and the value of cultural preservation.

THEME:
**Promotion of
Traditional &
Local Food,
Health
and Hygiene
Awareness**

Learning Outcomes and Skills Developed:

- Enhanced understanding of indigenous food systems and hygienic habits.
- Promotion of critical thinking and research skills.
- Development of creativity, innovation, and effective communication.
- Strengthened student engagement with community health and sustainability goals.

Through these initiatives, the school reinforced the importance of holistic nutrition and traditional knowledge in building a healthy and informed generation.

TRIBUTE TO DR. KRISHNASWAMY KASTURIRANGAN

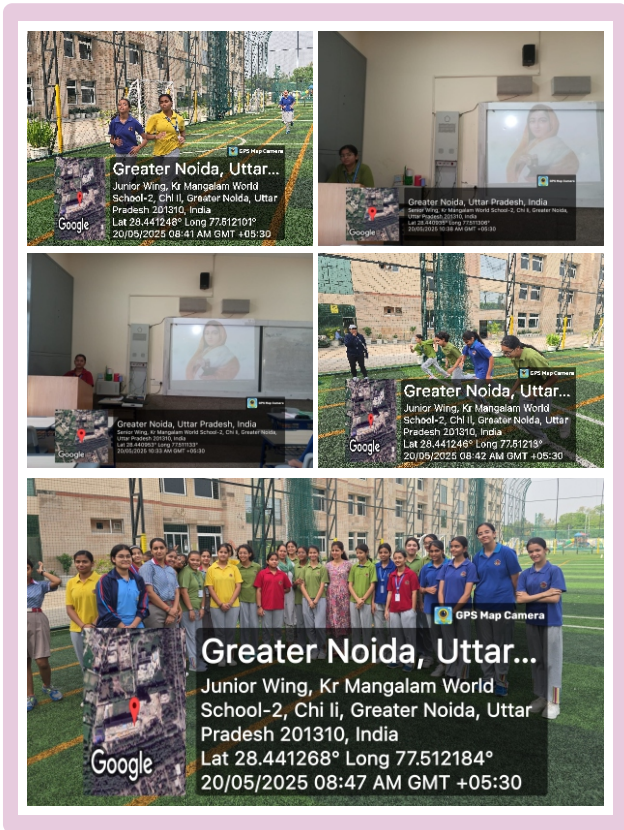

On April 30, 2025, the school community gathered to pay homage to the late Dr. Krishnaswamy Kasturirangan, a visionary scientist and architect of India's National Education Policy (NEP) 2020.

A two-minute silence was observed during the morning assembly, followed by a heartfelt tribute from a faculty member, reflected on his monumental contributions to Science and Education.

His legacy continues to inspire us to pursue excellence, foster innovation, and uphold the values of commitment and service in education.

“HONOURING RANI AHILYABAI HOLKAR: A LEGACY OF WISDOM AND LEADERSHIP”

STUDENTS SHINE AT DIPLOMATHON ON WORLD SYMPOSIUM 2025

As per the instructions of the Joint Director of Education, First Division, Meerut, and Director of Education (Basic), Uttar Pradesh, the school organized various educational activities on the occasion of Rani Ahilyabai Holkar's 300th birth anniversary.

Main activities:

1. Run for Women Empowerment: Girl students participated enthusiastically.
2. Speech Competition: Students presented thoughts on Rani Ahilyabai's life and social contributions.

Objective: To promote leadership, social awareness, and women's empowerment among girl students.

Outcome: Students' confidence and social consciousness increased, and a positive environment was created in the school.

Four students from our school participated in the prestigious Diplomathon World Symposium held on May 17, 2025 at Heritage Xperiential Learning School, Noida. Represented Grades VIII to XI, Kimaya Rana, Soumya, Dhirya Malik, and Ayan Dawar engaged in simulated global discussions as ambassadors and CEOs, debated real-world issues and draft resolutions. The event brought together students from diverse curricula and fostered skills in diplomacy, public speaking, and critical thinking. Their participation aligned with NEP 2020 and showcased the school's commitment to global citizenship. The students' performance brought pride and international visibility to the school.

ROCKSPORTS ADVENTURE CAMP VISIT

The Mangalites of our school, Grades VI to XII, embarked on an exciting school picnic to Rocksport Adventure Camp, Dehradun, on May 28, 2025, for three days trip. The day was filled with adventure, fun, and unforgettable experiences, created lasting memories for everyone involved.

The camp offered a wide range of thrilling activities, such as zip-lining, wall climbing, zorbing, rope courses, and team-building games. Each activity was conducted under the guidance of professional instructors, ensured both safety and enjoyment. The students participated enthusiastically, pushing their limits and displayed remarkable teamwork and courage.

A delicious and nutritious food was served, which re-energized the students after their action-packed morning. The picnic featured an enjoyable dance session, where students connected and bonded through music and songs. The visit to Rocksport Adventure Camp not only provided a refreshing break from academics but also helped the students develop life skills such as resilience, collaboration, and confidence. The serene and scenic environment of Dehradun added to the overall experience, making it a day to cherish.

The school picnic was a grand success, leaving students eagerly looking forward to more such adventures in the future.

SUSTAINABILITY IN ACTION

WORLD HEALTH DAY

In a spirited observance of World Health Day on April 7, 2025, our school organized a special wellness session for students of Grades III to V, emphasized on the importance of holistic health.

The celebration, held in the school campus, witnessed enthusiastic participation from both students and faculty. The young learners engaged in a series of yoga asanas and breathing exercises aimed at promoting physical vitality and mental clarity. The event resonated with the theme of the day, reinforced the idea that health encompasses not just the absence of illness, but complete physical, mental, and social well-being.

Through these engaging activities, students were reminded of the significance of integrating healthy habits into their daily routines. The event served as an impactful initiative to inspire children to prioritize health and well-being from an early age.

EARTH DAY CELEBRATION

Our School celebrated Earth Day 2025 on April 22, 2025, with vibrant activities across all grades, fostering eco-awareness and responsibility. Pre-Nursery to KG students engaged in art, nature walks, and seed planting. Grades I–II reused newspapers and created eco-bags. Grades III–V expressed environmental messages through creative posters. Middle schoolers held quizzes, chart-making, and awareness drives. Grade X marked the day with a tree plantation drive, planted native species to reinforce ecological responsibility. The celebration encouraged students to appreciate nature, adopt eco-friendly habits, and become ambassadors for a greener planet.

THEME : “Take care of the Earth, and it will take care of you.”

“A TRIBUTE TO MOTHERS”

In a vibrant celebration of love, gratitude, and creativity, our school marked Mother's Day with a series of joyful activities for students from Pre-Primary to Grade V.

The day was dedicated to honouring mothers and their immeasurable role in every child's life. The Pre-Primary wing filled the atmosphere with cheer as the little ones created colourful origami gowns and fingerprinted badges, followed by heartwarming performances of songs and dances. Students of Grades III to V showcased their artistic skills and eco-consciousness by designing eco-friendly crowns—a beautiful blend of creativity, sustainability, and emotional expression—as a tribute to their mothers.

The celebration was not just an artistic expression, but also a touching reminder of the nurturing bonds between children and their mothers. The event concluded on a joyful note, leaving behind smiles, memories, and tokens of love.

PROFESSIONAL DEVELOPMENT PROGRAMME

Our School successfully organized a comprehensive Professional Development Programme from June 17, 2025 to June 21, 2025 aimed at empowering educators with the latest pedagogical tools and strategies aligned with the Continuous Professional Development (CPD) framework.

The inaugural session was led by Dr. Jyoti Gupta, Principal, KRMWS GK-2, focused on the National Curriculum Framework for School Education (NCF-SE).

The training sessions were thoughtfully curated to align with the National Professional Standards for Teachers (NPST). A key session on NPST was conducted by Mrs. Sonia Anil Verma, Principal, KRMWS GN, who provided valuable insights on integrating these standards into everyday teaching practices.

The programme covered the following major themes:

1. National Curriculum Framework for School Education (NCF-SE):
Highlighted curricular reforms and their implications in the classroom.
2. Assessment Strategies and Competency-Based Education:
Emphasized learner-centric approaches to effectively track and support student progress.
3. Integration of Artificial Intelligence in Education:
Explored innovative ways to leverage AI for enhanced teaching and learning outcomes.

This professional development initiative reflected the school's strong commitment to fostering a culture of continuous learning, collaboration, and innovation among educators.

KRM ACHIEVED ACADEMIC EXCELLENCE

It was a moment of immense pride and joy for the School, as our Grade XII pass-out batch (Session 2024–25) was honoured by Dainik Jagran for their stellar performance in the CBSE Board Examinations.

The prestigious award ceremony was held on May 29, 2025, at the Maharishi University Campus, where the city’s brightest minds were felicitated for their academic brilliance. Among the awardees were ten of our exceptional students whose consistent efforts, perseverance, and dedication earned them this well-deserved recognition.

We extend our heartfelt congratulations to the following achievers of Grade-XII, Batch 2024-25:

1. Aastha Bhargana
2. Aditya Kumar Singh
3. Himanshi Bhardwaj
4. Aditi Singh
5. Anushka Gupta
6. Ritika Singh
7. Sanskriti Sharma
8. Tanvi Dhankar
9. Shreshtha Verma
10. Janisha

Their success is a reflection of their hard work and the academic environment fostered at KRM. This recognition not only motivates them for future endeavours but also inspires the upcoming batches to aim high and excel.

KRM is proud of its achievers and remains committed to nurturing excellence in every child.

SUMMER CAMP

The school proudly hosted a dynamic and enriching Summer Camp from May 19 to May 23, 2025, witnessing enthusiastic participation from students of Grades I to VIII. The week-long camp was thoughtfully curated to promote holistic growth, creativity, and the joy of experiential learning.

The programme featured a diverse spectrum of activities aimed at nurturing multiple intelligences. Key modules included:

- Sports: Focused on physical fitness, teamwork, and discipline.
- Performing Arts: Fostered self-expression, confidence, and creativity.
- AI/IT/Design: Introduced students to digital tools, problem-solving, and innovation.
- Personality Development: Enhanced communication, self-awareness, and leadership skills.
- Art of Storytelling: Encouraged imagination, language skills, and public speaking.

One of the major highlights was the Showcase Session on the final day, where students presented their learnings and creative work with confidence and pride. This interactive session served as a celebration of their week-long efforts and personal growth. All participating students were awarded certificates of appreciation, acknowledging their energy, dedication, and wholehearted engagement throughout the camp. The Summer Camp was a resounding success and stands as a reflection of the school's ongoing commitment to providing meaningful learning opportunities beyond the classroom. We applaud all participants and mentors for making this initiative truly memorable, and look forward to continuing such endeavors that empower our young learners to thrive in all spheres of life.

INTERNATIONAL YOGA DAY

Our school celebrated the 11th International Yoga Day on 21st June 2025 at its campus with great zeal and enthusiasm. The theme for this year was "Yoga for Self and Society", emphasizing the role of yoga in individual well-being and social harmony. The event highlighted the importance of yoga in our everyday lives and the immense physical and mental benefits it offers. The P.E. trainer, along with the yoga teacher, demonstrated several asanas which the students practiced with full spirit and joy. Each asana was explained in detail, creating awareness among the students and teachers.

K.R. MANGALAM WORLD SCHOOL

Creating the Skilled Generations Ahead

K.R. Mangalam World School, Greater Noida, stands tall as a beacon of holistic education and skill development, committed to nurturing empowered learners for the future. Guided by the philosophy of "Opportunity for All," it ensures every child is given a platform to explore, experience, and excel.

Rooted in the principle of experiential learning, students are encouraged to learn by doing—whether through hands-on projects, collaborative tasks, or real-world problem-solving. The institution boasts a rich spectrum of facilities, from cutting-edge laboratories in Artificial Intelligence, Robotics, and Product Design to world-class infrastructure for sports such as shooting, archery, and athletics. Simultaneously, performing and visual arts are seamlessly integrated into the curriculum, nurturing creativity and self-expression.

A democratic and inclusive environment allows students to find their voice. They are entrusted with leadership roles and play an active part in organizing school events, embodying values of confidence, responsibility, and teamwork.

Academic excellence is a cornerstone of the school's identity. With top-ranking CBSE results—96.2% in Grade XII and 98% in Grade X—it continues to raise the bar. To meet growing demand and expand its vision, a **new branch** has been established at **K R Mangalam World School, Knowledge Park V**, carrying forward the legacy of quality education.

Recognized by parents as a true "value for money" institution, the school strikes the right balance between quality education and global exposure. Its strong emphasis on faculty development and alignment with the national vision of Viksit Bharat make it a transformative space for both educators and learners.

With a forward-looking approach, **K.R. Mangalam World School** is indeed shaping the skilled generations of tomorrow—ready to lead, innovate, and inspire.

Advt.

"Good teachers teach. Great teachers transform."
