

From the
Principal's Desk

Dear Parents,

It gives me immense joy to share the recent milestones and accomplishments of our K.R. Mangalam World School, Greater Noida, family. Together, we are continuing on a path that not only upholds academic excellence but also nurtures every child's growth, in line with the National Education Policy (NEP) 2020.

In the past few months, we have worked hard to provide students with rich, experiential learning opportunities. From engaging internships and skill-based programs to real-life interactions with industry experts, our aim is to give students the exposure they need to develop into well-rounded, future-ready individuals. Watching them grow in confidence and capability has been truly rewarding.

Our teachers have shown incredible dedication, constantly upgrading their skills through workshops and training programs. Their passion for learning directly benefits our students, as they bring innovative teaching methods into the classroom.

We are thrilled to share that our school has been recognized for Digital Innovation as K-12 Education Technology Experts. This award reflects our commitment to integrating technology into our learning environment, ensuring our students are prepared for a rapidly evolving digital world. Additionally, our emphasis on co-curricular education has been recognized, further validating our holistic approach to student development.

These achievements would not have been possible without the collective efforts of our dedicated teachers, hardworking students, and supportive parents. Your unwavering trust and encouragement have been the backbone of our success, and I extend my heartfelt congratulations to each of you.

As we move forward, I am excited about the future we are building together—a future where every child thrives, every teacher grows, and every parent can take pride in being a part of this wonderful community.

Activities & Events

Halloween Day Celebration

On Tuesday, October 31st, 2023, students from Nursery to Grade V participated in a fun Halloween celebration at school. They dressed in costumes, played games, and listened to stories while learning about the history and tradition of Halloween. The event promoted creativity, collaboration, and a sense of community among the students.

Captivating Moments at Our Winter Carnival and PTM!

Our Winter Carnival and PTM on December 23rd was filled with excitement and high spirits. The event included presentations, carols, dance performances, a Fancy-Dress Competition, a Scholastic Books stall, 20 food stalls, and activities like horse riding and bungee jumping. As we bid farewell to 2023, warm wishes for a Merry Christmas and a Happy New Year to all!

Basant Panchami 2024

The school celebrated Basant Panchami with cultural presentations and activities honoring Goddess Saraswati. The event included Saraswati Vandana, student poetry, a speech on Basant Panchami, a dance performance, and a Nukkad Natak addressing school bus safety. The principal highlighted the symbolism of the Veena, book, and Mala in Saraswati's hands, urging everyone to embody these qualities.

Assemblies

The "One Earth, One Family, One Future" assembly on 03.11.2023 successfully promoted awareness and empathy among students regarding global issues. Activities included a talk show on climate change and social justice, a Nukkad Natak performance highlighting societal issues, and a documentary screening on mental well-being. The principal emphasized the importance of empathy, kindness, and creating a safe school environment. The assembly encouraged students to take a stand against injustices and actively contribute to a better world.

Celebration

Diwali Celebration

Our school organized a vibrant Diwali Pooja celebration on November 11, 2023, fostering unity and festivity among students, teachers, and parents. The event began at 11:00 AM with a heartfelt Pooja, where participants engaged in a spiritual prayer session. The highlight was the distribution of nariyal laddoo, symbolizing sweetness and prosperity. The event created a sense of community and togetherness, making it a memorable and enriching experience for all involved.

Educational Trip

Grade III & IV students to National Crafts Museum and Hastkala Academy New Delhi on 28th & 29th November 2023

The students visited the National Crafts Museum and Hastkala Academy in New Delhi to learn about traditional Indian crafts. They had a guided tour of galleries, watched pottery-making and metalwork demonstrations, and explored a village complex. The visit helped them appreciate traditional crafts and their cultural heritage.

Grade III & IV students to National Crafts Museum and Hastkala Academy New Delhi on 28th & 29th November 2023

Grade-VI students to Nehru Planetarium, New Delhi on November 21, 2023

On November 21, 2023, sixth-grade students visited the Nehru Planetarium in New Delhi to learn about astronomy and space. The day included a captivating planetarium show, interactive exhibits, telescope observation, and a Q&A session with knowledgeable staff. The trip aligned with the curriculum, stimulated students' interest in astronomy, and encouraged them to ask insightful questions. Overall, the visit was a resounding success, combining entertainment with education and contributing significantly to the students' holistic development.

Grade VII students to Pradhan Mantri Sangrahalaya New Delhi on November 22, 2023.

The seventh-grade students visited the Pradhan Mantri Sangrahalaya to learn about India's political history and the contributions of its Prime Ministers. The museum showcased the personal belongings of Prime Ministers and employed technology-based interfaces to make the exhibition interactive. Students engaged with hands-on exhibits had a Q&A session and gained a deeper appreciation for India's cultural richness. The trip fostered national pride, a sense of responsibility, and a better understanding of India's history among the students.

Grade VIII students to Pradhan Mantri Sangrahalaya New Delhi on November 22, 2023.

On November 23, Grade 8 students visited the National Art and Crafts and Hastkala Academy in New Delhi to experience India's rich artistic and cultural heritage. They explored exhibits, participated in interactive sessions with artisans, and gained a deeper understanding of India's cultural diversity. The visit left a lasting impact, fostering an appreciation for India's rich cultural legacy.

Grade VIII students to Pradhan Mantri Sangrahalaya New Delhi on November 22, 2023.

Mentorship

Swami Chidrupananda's Session on "The Power of Concentration" for students of grades 9-12

Swami Chidrupanandaji from the Chinmaya Mission conducted a session on "The Power of Concentration" for students of grades 9-10. The session explored various aspects of concentration and its importance in education and personal development.

Key insights included:

1. Defining Concentration: Defined as the ability to focus the mind.
2. Power of Concentration: Emphasized as a tool to control the mind.
3. Influence: Questioned common notions about concentration abilities.
4. Noun and Verb: Explored concentration as both a noun and a verb.

Swamiji provided rules for concentration:

- Concentration takes place when there is love.
- Your habits influence your concentration.
- Start any work on time.
- Spend 15 minutes daily with your goals.

Insight on Excessive Sleep and Concentration:

- Discussed how excessive sleep negatively affects concentration.

The session offered practical rules and thought-provoking ideas for students to enhance their focus, habits, and overall well-being.

Motivational Session on Personality Development

On November 28, 2023, students in grades 9-12 attended a Motivational Session on Personality Development by Lieutenant Colonel Kautuk Shrivastav. With nearly two decades of experience in the Army, Colonel

Shrivastav shared insights on the role of personality in shaping life. He emphasized focus, discipline, and cautious use of technology, leaving a lasting impression on the students.

Scholastic Reading Session

On February 10th, K.R. Mangalam World School organized a training session focusing on scholastic reading for teachers. The session covered the importance of reading for students, understanding short reads, comprehension skills, the role of reading among students, and the outcomes of close reading.

1. Importance of Reading for Students: The session discussed how reading enhances vocabulary, comprehension skills, critical thinking, and cognitive abilities.
2. Understanding Short Reads: Teachers learned about the relevance of short reads in engaging students and developing their reading proficiency within limited time frames.
3. Comprehension Skills: Teachers explored strategies for enhancing students' comprehension abilities through pre-reading activities, active reading strategies, and post-reading discussions.

4. Role of Reading Among Students: The training highlighted the pivotal role reading plays in students' academic success, personal development, language fluency, and analytical thinking.

5. Outcomes of Close Reading: Teachers gained insights into how close reading promotes deep understanding of texts, encourages textual analysis, and facilitates the identification of literary devices and themes.

In summary, the training provided valuable insights into the impact of reading on student learning and equipped educators with effective strategies to foster reading comprehension and literary appreciation in the classroom.

She will be honored with a Tablet, Medal, and Trophy during the felicitation ceremony. Congratulations to Aishwarya for her well-deserved success!

Professional Development Programme

The "Professional Development of Teachers: Continuous Professional Development with Pedagogies of the New Curriculum" program was conducted in collaboration with three reputable schools. It aimed to empower teachers by discussing strategies to create a positive learning environment, dimensions of learning, and the National Curriculum Framework. The teachers summarized the key takeaways and expressed gratitude for the program.

French National Interschool Competition FRENCH PRO 2023-24

K.R. Mangalam World School recently hosted the esteemed French National Interschool Competition - FRENCH PRO 2023-24. Aishwarya Jain from Class IV A demonstrated exceptional proficiency and secured the 1st position among 18 participating schools.

Career Counseling Session on Job Opportunities of "Association of Chartered Certified Accountants"

On April 5th, 2024, K.R. Mangalam World School organized a career counseling program focused on job opportunities after completing the ACCA course. Mr. Thapar discussed career paths in Finance Controller, Finance Reporting, and Statutory Audit in India and abroad. He emphasized ACCA's global recognition and highlighted the importance of early career planning and personal development. The session concluded with Mrs. Suman expressing gratitude to Mr. Thapar and highlighting the enlightenment gained by students regarding post-course opportunities.
