# *Mission and Vision of K.R. Mangalam Group of Schools*

K. R. Mangalam acknowledges the evolution of the third millennium children and the third millennium parents. Education should depend upon, and be defined by the quality of the children being educated. The third millennium children are by far better exposed to knowledge and educational technology than all the previous generations. They are equipped with better facilities and blessed with educated, technology-savvy parents. Acceptance of the fact, paves way for further measures in the educational interests of children.

It is hence that K. R. Mangalam commences its journey of education with the firm belief that education for children today should begin on a higher plain than before, it is therefore:

- A journey driven by aims and aspirations.
- A journey which is a continuous process. A journey that would be forever.
- A journey not to culminate in one destination.
- A journey that would open the doors for many more.

## **We believe that:**

- Every child is as important to the society and the world as to his/her parents and family.
- Apart from academic excellence, every child needs to be self confident, self reliant with high self esteem.
- Every child has the ability to excel in his own way, given the proper environment to unleash his potential.
- Children are by nature competitive, interactive and have communicative qualities that need to be promoted and encouraged.
- Every child has his /her own cognitive, emotional and spiritual requirements that need to be taken care of.
- Today's children have the potential of making the world a better place tomorrow. It is our responsibility to nurture and encourage such potential.

## *From The Principal's Desk*

The dynamism that fills the school premises every year reaffirms my belief that every passing year is a testimony to great learning, exemplary achievements and unsurpassed creativity.

As the session progresses, the right mood sets in for creating something new, celebrating the Mangalites spirit to fortify the benchmark in academics, cultural & sports celebrations which gets the entire school together to produce a memorable gala, epitomizing one dream, one mission and one vision of 'Together Towards Tomorrow.'

Being successful is more of a journey not a destination and this journey of success began a couple of years ago. Starting with small steps and the dream accompanied with actualization has brought into threshold a wide spectrum of academic achievements, created an environment of inculcation of new ideas and latest teaching pedagogies. No stone is unturned to instill unequaled passion for creativity and environmental consciousness.

School Almanac is an important link between parents and school. It gives a glimpse of all the vital information of all what is expected and planned in a particular year.

With a bright hope that this almanac will continue to serve as an effective communication medium between parents and school in the best interest of our children, let's join hands to make this journey an enriching and rewarding experience for our children.

I wish you all a very fruitful and enriching year ahead.

## Pledge

India is my country.  
All Indians are my brothers and sisters.  
I love my country,  
and I am proud of its rich  
and varied heritage.  
I shall always strive to  
be worthy of my country.  
I shall respect my parents,  
teachers and all elders  
and treat everyone with courtesy.  
To my country and my people,  
I pledge my devotion.  
In their well being and  
prosperity  
alone lies my happiness.

## School Song (Hindi)

दिखने में हम छोटे हैं पर नहीं किसी से कम  
के० आर० एम के बच्चे करते काम बड़े हरदम।

हमारी एक डगर है, हमारा नया सफ़र है  
न अपनी सीमाएँ हैं न कोई पहरेदार।  
पूरब, पश्चिम, उत्तर, दक्षिण, बाँटे सबको प्यार  
बड़े-बड़े आए भटकाने, पर न भटके हम।  
के० आर० एम के बच्चे करते.....।

लक्ष्य न ओझल होने पाए, राह बताता चल  
शिक्षा का तूफान उठा दें, ठहर न तू इक पल  
नए कीर्तिमानों से, ध्वज फहराए जा।

उजड़े हुए हर इक गुलशन में  
फूल खिलाना है, भूले-भटके हर राही को  
राह पर लाना है, नैतिकता के कर्मों से  
सार्थक हो ये जन्म, के० आर० एम के...।

## School Song (English)

### English translation of the school song.

Under the flag of KRM, our dreams begin to live  
No matter how young we may look, we are ready to give  
The precious gifts of the jewels we bear  
Love and peace with the world we share.

The journey of life that we undertake  
All hurdles we cross, all barriers we break  
The goals we set, the dreams we weave  
We strive to get what we want to achieve

We pledge to take forward this light of learning  
May this fire of knowledge always keep burning  
May God help us succeed in our endeavour!  
May the name of KRM keep soaring forever!

*In the present, the future, we borrow  
Marching Together Towards Tomorrow.*

# Prayers

## "Morning Prayer"

Our father who art in heaven,  
Hallowed be Thy name,  
Thy kingdom come  
Thy will be done,  
On earth, as it is in heaven.  
Give us this day, our daily bread,  
And forgive us our trespasses,  
As we forgive those, who trespass against us  
And lead us not into temptation,  
But deliver us, from evil,  
for Thine is the kingdom,  
The power and the glory,  
For ever and ever... Amen....

## "PRAYER BEFORE MEALS"

Thank you God  
for the world so sweet.  
Thank you God  
for the food we eat.  
Thank you God  
for the birds that sing.  
Thank you God  
for everything.

## "PRAYER AT THE END OF THE DAY"

O God ! infinite wisdom  
and source of all knowledge  
Bless our studies,  
which we dedicate to you,  
Strengthen our minds  
and direct our wills  
Towards what is right.

# Prayers

Give me a cheerful spirit God, Inspire me to smile  
that I may help a weary world along each passing mile,  
I want to be an optimist and look beyond the rain  
Instead of always looking for some reason to complain.

\*\*\*\*\*

Lord, make me an instrument of thy purpose,  
Where there is Hatred, let me sow Love  
Where there is Injury-pardon  
Where there is Doubt-Faith  
Where there is Despair-Hope  
Where there is Darkness-Light  
Where there is Sadness-Joy  
O Divine Master, grant that I may not so much seek to be  
consoled as to console; to be understood, as to understand to  
be loved as to love.  
For it is in giving that we receive, it is in forgiveness, that we are  
forgiven.

\*\*\*\*\*

We thank you loving father, for all your tender care,  
For food and clothes and shelter and all the world so fair,  
We thank you loving father,  
For this day now begun,  
may our actions be ever pleasing,  
To you and everyone.

\*\*\*\*\*

Father we thank you, for the night,  
And for the pleasant morning light,  
For rest and food and loving care,  
And all the makes, the world so fair,  
Help us to do the things we should,  
To be to others kind and good, In all we do,  
in all we say, to grow more loving every day.

\*\*\*\*\*

Father, be with me as I take this exam.  
Keep my mind alert and my memory sharp.  
Calm my nerves and help me concentrate.  
Help me do my examination well  
Sharpen my intelligence so that  
I understand well the questions  
Which I have learnt  
Guide me to write neatly and clearly  
Help me to finish my exam in time  
So that I am able to revise  
What I have written  
Help me to overcome temptations  
And do my exam honestly  
With Your blessings and guidance Lord  
I know I cannot fall in any endeavour  
Through Jesus Christ our Lord  
Amen

\*\*\*\*\*

We thank You, Lord, for one more day,  
For books and work, and walk and Play,  
We thank You for games and fun,  
For day light, and the golden sun  
We thank You for the food we eat,  
For friends and people that we meet,  
For animals and trees and flowers,  
And all the blessings which are ours.

\*\*\*\*\*

God give me courage, To do what is right  
Courage to speak, courage to fight  
For honesty, goodness, justice and truth;  
Courage to choose, the good in my youth,  
Courage to own, when I'm in the wrong;  
Courage to face the day, with a song,  
Courage to guard my thoughts and my tongue  
Courage to choose the right when I'm wrong.

# मंत्र/प्रार्थना

## सरस्वती वन्दना

हे शारदे माँ, हे शारदे माँ।  
अज्ञानता से हमें तार दे माँ।  
तू स्वर की देवी, ये संगीत तुझसे।  
हर शब्द तेरा है, हर गीत तुझसे।  
मन से हमारे मिटा दो अँधेरे।  
हमको उजालों का संसार दे माँ।।

तू श्वेत वर्णी कमल पे विराजे,  
हाथों में वीणा, मुकुट सर पे साजे।।  
हम हैं अकेले, हम हैं अधूरे,  
तेरी शरण में, हमें प्यार दे माँ।।

मुनियों ने समझी, ये गुणियों ने जानी।  
वेदों की भाषा, पुराणों की वाणी।।  
हम भी तो समझे, हम भी तो जानें।  
विद्या का हमको वरदान दे माँ।।  
हे शारदे माँ, शारदे माँ।

## तू हमारा पिता

तू हमारा पिता, हम तेरे लाडले,  
हम पे रखना सदा तू, मेहर की नजर ।  
माँफ करना हमें, नासमझ जानकर,  
हमसे हो जाए कोई, खता भी अगर ।  
तू -----  
हम नहीं जानते, जिंदगी की डगर,  
खो ना जाएँ कहीं हम, इधर से उधर ।  
आसमाँ पर भी तू है,  
जमीं पर भी तू ।  
आसरे पर तेरे है, हमारा सफर ।  
तू -----  
धर्म की पालना हो, हमारा करम,  
मन में बस जाए, हो ना कोई भी भरम ।  
नेक राह पर चले, करें अपना करम,  
मुश्किलों से रहें हम, सदा बेखबर ।  
तू -----

## तू ही राम है

तू ही राम है, तू रहीम है।  
तू करीम, कृष्ण, खुदा हुआ  
तू ही वाहे गुरु, तू ईसा मसीह,  
हर नाम में तू समा रहा

तेरी जात पात कुरान में, तेरी दर्श वेद पुराण में,  
गुरुग्रंथ जी के बखान में, तू प्रकाश अपना दिखा रहा  
तू ही राम.....

अरदास है कहीं कीरतन, कही रामधुन कही आह्वान  
विधि वेद का है ये सदवचन, तेरा भक्त तुझको बुला रहा  
तू ही राम.....

## Together Towards Tomorrow

We are the children of tomorrow  
Coming together, being together  
Building bridges, uniting nations  
Dawning a new hope  
Making a new whole world.

## Make Me A Channel of Your Peace

- 1) Make me a channel of your peace  
Where there is hatred, let me bring your love  
Where there is injury, your pardon lord  
And where there's doubt, true faith in you.

**Chorus:** O! master great that I may never seek  
So much to be consoled as to console  
To be understood as to understand  
To be loved as to love with all to my soul.

- 2) Make me a channel of your peace  
Where there is despair, let me bring in hope  
Where there is darkness, lord, you, shining light  
And where there's sadness every joy.
- 3) Make me a channel of your peace  
It is in pardoning, that we are pardoned.  
In giving to all men, that we receive  
And in dying, that we're born to eternal life.

## The Joy of The Lord is My Strength

- 1) I give my hands to do your work  
And, sweetest Lord, I give them willingly  
I give my feet to go your way  
And every step I shall take cheerfully.

**Chorus:** O! the joy of the Lord is my strength  
O! the joy of the Lord is my help,  
my help for the power of the spirit is in my soul  
and the joy of the Lord is my strength.

- 2) I give my eyes to see the world  
and everyone in just the way you do  
I give my tongue to speak your words  
To spread your name and freedom giving truth.
- 3) I give my mind in every way  
so that each thought I have will come from you  
I give my spirit to you, O Lord!  
and everyday my prayer will spring a new.
- 4) I give my heart that you may love  
In me your Father and the human race  
I give my self that you may grow  
In me and make my life a song of praise.

## People Over The World

- 1) People over the world reach out your hands,  
Touch one another people over the world  
Just understand and love each other.  
We have one life to live, so much to give;  
So much to share, there is love to be found  
Just look around, there's happiness there.
- 2) People over the world, we are same  
with different colours, people over the world  
Love without shame like sisters and brothers.  
Face each day with a smile and in a while,  
while sunshine appears you feel warm deep inside  
No need to hide from danger and fear.

# Assessment Policy

At KRM School, our assessment policy aligns with the guidelines and 'Learning Outcomes', focusing on key competencies such as language, mathematical thinking, and design learning, in line with NEP 2020. Our developmental goals span six levels, covering prime learning areas from early childhood to schooling, including physical, socio-emotional, cognitive, and aesthetic development.

## **Understanding the Linkage:**

### **Alignment and Integration:**

Developmental Goals are intricately linked with foundational learning goals. Each goal specifies the competencies children will attain.

Learning Outcomes serve as evidence of acquired competencies, comprising knowledge, skills, and attitudes.

### **Holistic Progress Cards (HPC):**

Offer a multidimensional report reflecting cognitive, affective, socio-emotional, and psychomotor domains, alongside life skills and values.

Compiled based on self, peer, teacher, and parent assessment, addressing essential aspects of growth and development.

Address questions about student uniqueness, progress feedback, communication, and teacher workload.

### **Key Features of HPC:**

- Participatory and Inclusive approach involving teachers, parents, and students equally.
- Task-Based Assessment evaluates child ability based on defined competencies and skills.
- Self-awareness and Goal Setting foster communication of strengths, areas of improvement, and collaborative future goal-setting.
- Acts as a Pedagogical Tool facilitating continuous learning and progress tracking.
- Encourages Parent and Society Participation in student development and progress.

### **Implementation Considerations:**

- Activity Planning involves designing relevant activities addressing multiple competencies.
- Documentation relies on pictorial evidence in portfolios showcasing student progress and work

• Parent Engagement encourages discussions on progress, strengths, areas of improvement, and goal-setting.

The Holistic Progress Card (HPC) marks a significant shift in our assessment policy towards fostering holistic development and nurturing a learner-centric environment. Our approach integrates various assessment methods to capture the diverse dimensions of a student's growth.

Our assessment policy is designed to be dynamic, student-centred, and focused on promoting continuous growth and development across all domains. It serves as a roadmap for educators, students, and parents alike, guiding us towards our shared goal of nurturing well-rounded individuals prepared to thrive in an ever-changing world.

**Comprehensive Assessment:** Our assessment strategy encompasses multiple domains, including cognitive, affective, socio-emotional, and psychomotor areas, as well as life and learning skills. This comprehensive approach ensures that we evaluate the whole child, not just academic performance.

**Shift towards Competency-Based Assessment:** Our assessment philosophy emphasizes competency-based evaluation rather than simply testing rote memorization skills. We focus on assessing higher-order skills such as critical thinking, problem-solving, creativity, and communication.

**Involvement of Stakeholders:** Assessment is not just the responsibility of teachers; it involves active participation from students, parents, and peers. Self-assessment, peer assessment, and parent feedback are integral components of our assessment process, providing valuable insights into student progress and areas for improvement.

**Alignment with Learning Outcomes:** Assessment tools and practices are aligned with predefined learning outcomes, ensuring that our assessments accurately measure what students are expected to know and be able to do.

**Promotion of Metacognition:** We encourage metacognitive assessment, where by students reflect on their learning processes, identify strategies for improvement, and develop a deeper understanding of their own learning styles and preferences.

**Promotion of Lifelong Learning Skills:** Our assessment policy aims to cultivate essential lifelong learning skills such as critical thinking, collaboration, communication, adaptability, and initiative. These skills are integral for success in the 21st-century world.

# Assessment Policy

**Formative Assessment:** Formative Assessment represents the process of gathering, analysing, interpreting and using the evidence to improve student learning and to help students achieve their utmost potential. It is one essential component of classroom practice and needs to be integrated into the curriculum.

We, at K.R Mangalam World School, Greater Noida adopt a variety of strategies and tools for Formative Assessment: These include Monday Tests , Home Assignments, classwork, written work, research, projects, worksheets, problem solving , Oral Activities, Practical work , Group work in the form of research projects , Group discussions , Peer assessment , Field work etc.

There is continuous evaluation followed by regular feedback to learners in the form of tutorials and discussions. The Formative Assessment Strategies that are being undertaken provide a balanced view of the student.

The formative assessment will help teachers to:

- Identify and respond to students' differential needs and styles of learning.
- Support each student to achieve his/her individual potential.
- Teach students to reflect on their own learning and to analyse their personal strengths and weaknesses in a constructive manner.
- Rubrics for assessment of all subjects are framed by the respective teachers as per the assessment objectives laid by CBSE & NCERT. Each component of the rubric is assessed by awarding marks on different skills developed during the teaching- learning process. The components are as follows:-
- Observations: All students will be observed regularly with a focus on the individual, the group and the whole class, on punctuality, interest, attentiveness, student's self- reflection, self and peer assessment etc.
- Research: Students will be presented with tasks that represent challenges, risk etc .These include performance in Monday tests, recalling session, homework, reports, essay etc. Inter-disciplinary Skills: (research, thinking, communication, self-management): The focus is on the process and skill application rather than on the product.

- Learner Profile Attributes: The development of learner profile attributes during the teaching learning process will be assessed. Open-Ended questions: Students will be presented with a challenge and asked to provide an original response in class room discussions. Tests/Quizzes: These are aimed at providing a snapshot of students' specific knowledge that he/she acquires
- Portfolios and Goal Setting: Students will be expected to maintain a file consisting of records of special work produced by them during each session and reflections on what they have achieved. These would be an evidence of what they have done in class.

**Summative Assessment:** Summative assessment is aimed at judging levels of attainment of the learners. We conduct two Summative Assessments in a year, one in September and the other in February/ March.

Summative and formative assessments are, therefore, inherently linked and teachers use their knowledge and practices to help students improve their performance .

Progress cards are given after each Summative Assessment with extensive remarks for subject skills.

**For Classes Nursery to V:** The school will follow a system of Continuous and Comprehensive Evaluation .A Holistic Progress card will be prepared comprising of three sections - Unit Based Assessment, Subject specific assessment and General Reflections. Four assessments will be conducted throughout the year based on Trans disciplinary Theme, Language , Visual and Performing Arts, Numeracy, Physical Education and individual reflections.

The skills tested will be Social Skills, Life Skills, Literacy Skills, Self-Management and Discipline focus. The Competencies mapped will be Critical Thinking/ Problem Solving, Oral Communications, Team work and Collaboration, Character Building and Citizenship. The Holistic Progress card will be shared with the parents after every assessment.

# Guideline for Parents

20. The facility of internet is required by the students to do their homework and project work. As a parent, you are required to monitor the usage of internet by your ward so that he/ she does not misuse the internet access. It is advisable to route your child's E-mail through your account and share their password. Also, keep the computer in a central family location, not in the child's room. The usage of computer should be a family activity.
21. Parents are requested to sign the reports, test papers, teacher's remarks in the note books and school almanac and other similar documents so that they may keep in close touch with the progress of their child. Parents are also expected to visit the teachers whenever called, requested or on PTM's.
22. Regular meetings give an opportunity to the parents and teachers to discuss the progress of the child. It is also compulsory for the parents to meet the class teacher on the result declaration day.
23. Please do not send your child to school if he/she is feeling unwell. A proper leave application must be submitted in writing by the parents to the Principal in case of absence. This should be supported by a medical certificate in case of sick leave for more than three consecutive days.
24. Criticism of a teacher of the school in the presence of a child must be scrupulously avoided as it causes students to lose respect for their teacher with the consequent failure to learn from her; thus retarding the child's progress.
25. If you would like to celebrate the birthday of your ward, you are requested to send only toffees/eclairs to be distributed as a gesture in the class. It would be a good gesture to contribute one book to the school library on your child's birthday. Parents are requested to send the child in the school uniform.
26. As the medium of instruction in this school is English, students should be helped with regular English conversation practice at home so that they could keep pace with the class.
27. Plan future education of your ward(s) beyond the school in good time, so that they may be eligible to compete for admission to the maximum number of institutions for higher education.
