

K.R.MANGALAM WORLD SCHOOL GREATERNOIDA

KRMWSGN/PS/2024-25/040

Date: 21.06.2024

Subject: Important Notice for Parents of Students in Grades 9-12

Dear Parents,

As the vacation comes to an end, we are excited to welcome our students back to school on Monday, 24th June. We understand that the current heatwave is a significant concern for many parents. Please be assured that the well-being of our students is our top priority. To ensure a comfortable and safe environment, the school premises, including classrooms and common areas, are centrally air-conditioned. Additionally, all our school transport services are equipped with air conditioning to provide a cool and pleasant commute for your child.

In light of the extreme temperatures, we have temporarily adjusted the school timings. From 24th June till 28 th June, classes will be held from 7:40 am to 11:30 am. This schedule change is designed to minimize exposure to the heat while ensuring that learning continues uninterrupted.

To further safeguard our students, outdoor activities have been suspended until the weather improves. We encourage you to ensure your child carries sufficient water and a nutritious lunch to stay hydrated and energized throughout the school day. Our faculty and staff are well-prepared to handle these challenging times, and we are committed to providing a conducive learning environment for all students.

We look forward to a productive and enjoyable term ahead. Thank you for your continued support and cooperation.

Warm Regards,

Mrs. Sonia Anil Verma
Principal
