

K.R. MANGALAM WORLD SCHOOL GREATER NOIDA

KRMWS/GN/C/2025-26/179

Date: 7th Nov 2025

Subject: Skill Education – Vocational Learning (Grade III-VIII)

Dear Parents,

As part of the school's ongoing Skill Education Initiative and in alignment with the vision of the National Education Policy (NEP) 2020, we are delighted to announce the Winter Carnival 2025, which will serve as the culmination and celebration of the year-long progress of our Skill Clubs.

Through this event, our students will proudly present Student Skill Entrepreneurial Stalls, reflecting the creativity, craftsmanship, and entrepreneurial spirit nurtured throughout the year.

The stalls will feature the following skill areas:

- Food Production & Bakery
- Gardening
- Pottery
- Painting
- Block Printing & Embroidery

Other skill clubs will support the event.

In the forthcoming Skill Classes on 8th Nov (No Bag Day), students will collaboratively plan and prepare for the Carnival under the guidance of their respective Skill In-Charge Teachers. They will discuss required materials, design and create their own products, and later display and sell them during the event.

This initiative embodies the NEP 2020's objective of integrating vocational education and skill development within the school curriculum. It provides students with a hands-on entrepreneurial experience, enabling them to understand the complete process—from planning and production to sales and profit management. It also nurtures essential 21st-century skills such as creativity, collaboration, critical thinking, and communication.

Please Note:

- The school will function on Saturday, 8th November 2025, from 7:40 a.m. to 12:30 p.m. Buses will depart at 12:30 p.m. from Gate No. 2, following regular routes.
- Students are requested to carry only essentials — lunch box, water bottle, and any required material or stationery for their respective Skill Club.

We appreciate your continued encouragement and partnership in supporting our young learners as they prepare to showcase the outcomes of their skill learning journey during the Winter Carnival 2025 — a true reflection of the NEP vision of Education with Empowerment.
